

Forklift Compost Turner Organic Fertilizer Equipment Cow Dung Compost Machine

Our Product Introduction

for more products please visit us on organicfertilizerequipment.com

Basic Information

- Place of Origin: China
- Brand Name: TONGDA
- Certification: CE, ISO
- Model Number: TDCCFD-918
- Minimum Order Quantity: 1
- Packaging Details: According to customer requirements
- Delivery Time: 5-10 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per month

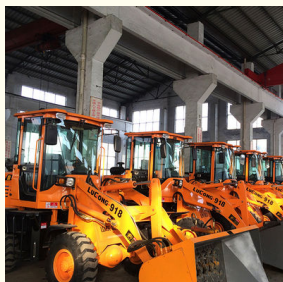

Product Specification

- Name: Forklift Type Compost Turner
- Application: Fermentation Turning Equipment
- Production Capacity: 10-20Ton/h
- Power: 37KW
- Raw Material: Organic Manure, Chicken Manure, Poultry Manure.
- Discharge Distance: 850mm
- Highlight: Forklift Compost Turner, Forklift Organic Fertilizer Equipment, Cow Dung Compost Machine

Product Description

Forklift Type Composting Equipment Cow Dung Industrial Fertilizer Compost Turner

Forklift type compost turner is applicable to the fermentation and dumping of small livestock manure, sludge garbage, filter mud of sugar factory, residue cake, straw sawdust and other organic wastes, and is widely used in the fermentation, decomposition and moisture removal operations of organic fertilizer plants, compound fertilizer plants, sludge garbage plants, horticultural farms, and bisporus cultivation plants.

Product advantages:

1. Strong functionality: the forklift dumper has four functions, namely, turning, transferring, mixing and crushing;
2. Strong applicability: it can be operated in the open air or in the workshop;
3. Evenly mixing: the utility model is specially used for the process requirements of microbial good sample fermentation materials, which can effectively mix the viscous fermentation materials, microbial fermentation agents and straw powder.
4. Blanking opening seal: The unique hydraulic design allows the driver to open and close the dumping hopper blanking opening in the cockpit.

Model	TDCCFD-918(Manual operation)	TDCCFD-920(Automatic operation)
Number of cylinders	4	4
Discharge	2.545	2.545
Power/Speed(kw/r/min)	47/3200	47/3200
Max Torque/Speed(N.m/r/min)	157/200~2200	157/200~2200
Forklift Bucket Width(mm)	1300	1300
Diesel Engine Model	4DW81-37G2	4DW81-37G2
Cooling Method	Closed Forced Water Cooling	Closed Forced Water Cooling

Working principle:

The choosing of compost turner will directly influence the normal production, so I suggest you make sure whether all the assembly units are standard or not.

1. Rolled steel. It is national standard or non-standard.
2. Diesel engine. Whether it is made by professional manufacturers or small enterprise.
3. Whether it is a product of a formal manufacturer or not.
4. Whether it is a product of a formal manufacturer or not, and whether it is a retreading one or not.
5. Whether it is reasonable or not. Whether the cutting tools are chain type or belt type.
6. Corrosion resistance, appearance and application range. This machine has a wide range of application including types, character and lumpiness of the materials. It is not only suitable for normal materials such as powdery, granular and bulk materials, but also suitable for strong grinding materials.

FAQ:

Q1: Are you trading company or manufacturer?

A: We are factory.

Q2: How long is your delivery time?

A: Generally it is 7-10 days if the goods are in stock. Or it is 15-30 days if the goods are not in stock, it is according to quantity.

Q3: What is your payment method?

A: 30% of total prices should be paid by T/T as down payment; 70% balance payment should be paid by T/T before delivery.

Q4: How long is the warranty of your equipments? Does your company supply the spare parts?

A: The warranty period of fertilizer equipments is one year. And we will supply the spare parts for you at lowest cost.

Q5: If I need the complete fertilizer production line can you help us to build it?

A: Yes, we can help you set up a fertilizer production line and give you related professional advices as long as you need. We had already build many fertilizer production line projects in China & Oversea.
