

## NPK Fertilizer Packaging Machine Granule 25kg Bag Filling Machine

Our Product Introduction

for more products please visit us on [organicfertilizerequipment.com](http://organicfertilizerequipment.com)

### Basic Information

- Place of Origin: China
- Brand Name: TONGDA
- Certification: ISO,CE
- Model Number: TD-50
- Minimum Order Quantity: 1
- Packaging Details: According to customer requirements
- Delivery Time: 5-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 units per month

### Product Specification

- Product Name: Fertilizer Automatic Packing Scale
- Machine Material: Stainless Steel 304/Carbon Steel
- Material: Stainless Steel
- Application: Powder/granule
- Weighing Range: 25-50kg
- Fills Accuracy:  $\geq 99\%$
- Highlight: **NPK Fertilizer Packaging Machine, Granule 25kg Bag Filling Machine, 25kg Fertilizer Packaging Machine**

## Product Description

### Compost Fertilizer Npk Fertilizer Granule Bagging 25 Kg Bag Packing Filling Machine

Compost fertilizer NPK fertilizer granule bagging/packing machine is used for granule materials packing such as feed, fertilizer, food, chemical industry, light industry, building materials and others. It adopts high speed sampling and processing instrument and digital frequency conversion technology, automatically set control parameters and automatic correction of drop. Adapting to the characteristics of different packaging materials, it can continuous operation, fast packaging, high precision, simple and flexible operation.

Type	Multi-Function Packaging Machine
Applicable Industries	Hotels, Garment Shops, Building Material Shops, Manufacturing Plant, Machinery Repair Shops, Food & Beverage Factory, Farms, Restaurant, Home Use, Retail, Food Shop, Printing Shops, Construction works , Energy & Mining, Food & Beverage Shops, Advertising Company
Condition	New
Function	FILLING, Sealing, Coding
Application	Food, Beverage, Commodity, Medical, Chemical, Machinery & Hardware, APPAREL, Textiles
Packaging Type	Cartons, Bags, Film, Pouch, case, sachet
Packaging Material	Plastic, Paper, Metal, Glass, Wood
Automatic Grade	Automatic
	220V/380V
Warranty	1 Year
Key Selling Points	Easy to Operate
Marketing Type	Ordinary Product
Machinery Test Report	Provided
Video outgoing-inspection	Provided
Warranty of core components	1 Year
Core Components	Motor, PLC, Gear
Production Capacity	5bag/min, 20bag/min, 7bag/min, 6bag/min, 40bag/min, 9bag/min, 25bag/min, 8bag/min, 15bag/min, 10bag/min, 50bag/min, 30bag/min, 35bag/min
Product name	Bag Packing Machine
After-sales Service Provided	Online Support
Bag type	Back Sealing
Usage	Bag Making
Packing speed	30-60bags/min
Capacity	Product Character
Machine material	Stainless Steel 304/Carbon Steel
Advantage	High Packing Capacity
Product Keywords	Multi-function Packaging Machines Automatic
Main Function	Weighing Forming Filling Sealing

#### Features of Compost fertilizer NPK fertilizer granule bagging/packing machine:

1. Accuracy: High precision weighing controller, good reliability. Good integrity, small area covering, flexible and convenient installation.
2. Environmental protection operation: Closed inner circulation system, which improves the working environment, and protects the health of employees.
3. The structure is reasonable: The structure is compact, the volume is small, and can be made into a fixed or mobile body according to the requirement of the users.

**FAQ:****Q: Can I use this production line to produce multi granularity particles?**

Yes, our production line is multifunctional. We can customize ring moulds of different sizes. In this way, you can easily adjust the size of your ball.

**Q: I know little about the fertilizer production line. How to choose the most suitable machine?**

Just tell us your raw materials, capacity (tons / hour) and the size of the final particle product, and we will choose the machine for you according to your specific situation.

**Q: Our workers don't know how to operate the production line. What should I do?**

Our engineers will guide on-site workers on how to install machines and build workshops. Then, our engineers will test the production line on site and train your workers how to operate it.

**Q: Are you a trading company or a manufacturer?**

We have a large factory in Jiaozuo, China, covering an area of 10000 square meters. Welcome to visit.

**Q: What's the Production Period of the Fertilizer Machine?**

For single fertilizer machine, our production time is 7 days; and for whole fertilizer production line, our production time is no more than 30 days.

**Q: What's the Quality Guarantee and Certifications?**

all of our machine have passed ISO and CE certification, we can guarantee the highest quality and our warranty time is 5 years after shipment date.
