

## Customization Size Mobile Belt Conveyor for Organic Fertilizer Equipment

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Tongda
- Certification: CE, ISO
- Model Number: 120
- Minimum Order Quantity: 1
- Price: 150-1500 USD
- Packaging Details: According to customer requirements
- Delivery Time: 5-10
- Payment Terms: L/C, D/P, T/T, D/A, Western Union, MoneyGram
- Supply Ability: 1000

### Product Specification

- Product Name: Customization Mobile Belt Conveyor
- Frame Material: High Strength Galvanized Steel
- Usage: Construction Use
- Function: Conveying Cereal Grain
- Advantage: Elevated Belt Machine
- Belt WidthBelt Width: 500/650/800/1000/1200/1400mm
- Highlight: **Organic Fertilizer Belt Conveyor,  
Organic Fertilizer Mobile Belt Conveyor,  
Customization Size Mobile Belt Conveyor**

## Product Description

### Size Customization Mobile Belt Conveyor for Organic Fertilizer Equipment

Small and simple folding conveyor belt conveyor - sand conveyor, mainly used in industries such as chemical, electronics, and food processing. It has the characteristics of small transportation volume, low belt speed, and stable operation. Compared with belt conveyors, due to its higher precision, the production cost investment is relatively large. The main specifications include 400mm, 500mm, 600mm, 800mm, etc. The height depends on the actual production situation.

The folding **belt conveyor** is lightweight and portable, besides being extremely convenient (it can be folded in half), is also extremely versatile.

mobility applicable in bulk loading, transport packaging and other occasions, suit to diversified occasions, and easy maintenance. It can be widely used in chemical industry, coal, mine, electrical department, light industry, grain, transportation department etc.

#### Product advantages:

- \* The frame can be raised and lowered
- \* Reversible type is in option
- \* Foldable high-strength galvanized steel structure
- \* Bearing heavy capacity
- \* Electrical remote control

Condition	New
Material	Rubber
Material Feature	Heat Resistant
Structure	Belt conveyor
Place of Origin	China
Brand Name	Tongda
Voltage	220/380v/415v
Power	2.2-800kw
Dimension(L*W*H)	as the model you choose
Warranty	1 Year
Width or Diameter	1000mm

The styles is customizable, according to your own project and feeding material, we can design the belt conveyor type for you. Such as Length, Width, Shape, Belt surface, etc.

Fertilizer Conveyor Belt Conveyor - A type of fertilizer conveyor suitable for industries such as food, chemical, pharmaceutical, warehouse, grain, and dock. It has the characteristics of light load and low linear speed, and can continuously transport materials. The conveyor belt adopts white or green food grade conveyor belt, which is sturdy, durable, clean and hygienic. When selecting and designing, the selection is based on other conveying capacities and distances (including horizontal length and lifting height) after verification and calculation. The combined length of the lightweight belt conveyor (horizontal distance between the head and tail wheels)  $L \leq 30m$ .

#### Pre-sale:

1. Our account manager will communicate with you the product requirements related to your machine.
2. We offer free product plans, packaging drawings and 3D renderings to save your budget.
3. We will provide our own quotation and proof of our machines.
4. We have a professional R & D department, to provide you with the most professional technical support.
5. We can make granulation experiment according to your raw materials.

#### FAQ:

##### 1. Are you trading company or manufacturer ?

We are a manufacturer with a history over 40 years and have realized one-stop service for design, manufacture, installation, debugging and technical training.

##### 2. How long is the delivery time?

For standard machines or Components, it would be 5-10 days; For non-standard machines and customized machines according to clients specific requirements, it would be appointment time.

**3. Do you arrange shipment for the machines?**

Yes, we will do that. For FOB or CIF price, we will arrange shipment for you. For EXW price, we will assist you in arranging shipment.

**4. How about your product after-sales service?**

Normally we provide video and written technical support. If necessary, our engineers can also provide on-site service. Our product accessories can be selected according to the actual needs of the customer to choose the most appropriate way to deliver.

**5. What kinds of certificate you have?**

ISO 9001: 2015 SGS and we can make other certificates according to customers' detailed requirements.

**6. How to guarantee the quality and operation before loading?**

We have our own quality control department and have advance quality control system while from raw materials to finished products. All the machines and production lines shall be 100% checked and tested before delivery.
